

This is a suggested list and is not intended to be comprehensive or directive. While many useful resources may already exist in your school, these and other resources are available from your local library, good bookshops or purchased on the Internet. The following reading series may be useful for children with EAL, particularly those newcomers who arrive in the senior classes and may be literate in their first language. These readers offer age-appropriate reading materials that are less demanding on the reader.

### **Titles of high interest reading series**

	<b>No. of titles</b>	<b>Interest ages</b>	<b>Reading ages</b>	<b>Other</b>
