

Let's Rap!

*Up and down, and in front and behind and
up and down, and in front and behind*

And around (2, 3) and around (2, 3)

To your left, to your right,

to your left, to your right

Touch your knees (2, 3, 4, 5, 6, 7)

Touch your knees (2, 3, 4, 5, 6, 7)

*Up and down, and in front and behind and
up and down, and in front and behind*

Tsshhhhhhhhh (fading for 16)
